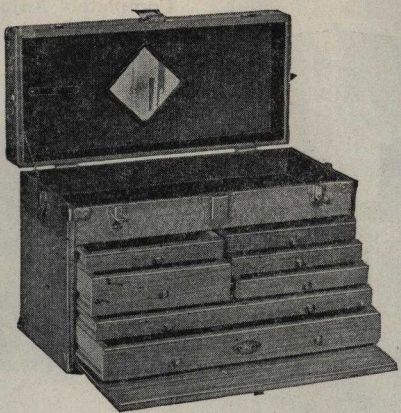
Machinists' Tool Chests

NATIONAL



Seven Drawers and Till

Made of solid quartered oak, dovetailed construction. It has a partition across the case below the drawer separator. The drawer fronts are quartered oak and the drawers are lined with green felt, have galvanized iron bottoms and slide on steel rails riveted to the sides of the cases. The doors are held in place by two pin plungers when the case is closed. The tills are fully felt lined and have mirror and clips for papers, etc. Nickel plated hardware and Yale multiple key change locks.

Inside Dimensions:

Till in top	19 x8¼x3¾	inches
